The tax on the securities listed above is effective for trade settlement beginning January 1, 2024.

The tax on in-scope equities and other financial instruments is .10% of the total transaction cost. The tax on derivatives traded on a regulated market or multilateral trading facility in a EU Member State is a flat amount that ranges from EUR0 .025 to EUR0 200, depending on the relevant instruments and on their notional value.

This list is specific to current eligible securities allowed to be traded within your TD Ameritrade account, and these securities are subject to change at any time as per guidance from the Italian Government. Please contact TD Ameritrade Client Services at 800-669-3900 to verify the securities listed.
